Top 5 things to do at Treasury Casino & Hotel

When you think Treasury Casino & Hotel, you might think blackjack and pokies, but Brisbane's premier entertainment destination offers so much more with a unique experience for every taste.

1. Indulge at the multi award-winning the lab bar + restaurant

Nestled away in the stunning surrounds of Treasury's Heritage Hotel, the multi award-winning the lab bar + restaurant offers a very polished and modern sense of hospitality with a touch of timeless elegance. Sous Chef Lauren Curmi and her team of expert chefs serve a surprising modern Australian menu, reinvented seasonally, built on locally sourced produce and premium ingredients. The lab bar + restaurant is also home to Treasury's exquisite high tea experience, offered every Saturday and Sunday afternoon. Executive Chef Steven Jones spent years perfecting the art of high tea at numerous five star establishments in London and here he sets a new benchmark for Brisbane, with mouth-watering savouries, Treasury's renowned desserts, and La Maison Du Thé French handcrafted teas.

2. Satisfy your cravings 24/7 at Kitchen at Treasury

One of Brisbane's best kept secrets is **Kitchen at Treasury**, a 24/7 home-style diner serving up an extensive round-the-clock menu of classics, including mouth-watering burgers, gourmet salads and decadent desserts.
