## **Groom your palate at Treasury Brisbane's Cheese & Wine Trail**

Cheese and wine connoisseurs are destined to be delighted when they welcome in the weekend at Treasury Brisbane's Cheese and Wine Trail.

To be held on Friday 9 June in the Treasury Hotel Courtyard, guests will learn about and savour a selection of wine from eight of Australia and New Zealand's most revered wineries including Penfolds, Wynns, Wolf Blass, Cape Mentalle, Catalina Sounds, Shottesbrooke, Cloudy Bay and Domaine Chandon.

Managing Director Queensland, Geoff Hogg, said Treasury Brisbane is the ideal backdrop for an evening of style and sophistication.

"This is going to be a superb event steeped in style, sophistication and history. Guests will have the opportunity to groom their palate, learning about the origins of each wine and the journey from vineyard to glass" said Geoff.

A selection of cheeses from the Woombye Cheese Company will also be served to enhance the tasting experience. Produced on the slopes of the Blackall Ranges near Noosa, the cheeses are typical of the varieties developed in rural France and are rich, creamy and luxurious.

Live jazz music will also set the tone for this one-off event and get you in the swing of things as you journey towards the weekend.
